The executive committee will continue the same entry fee format for the 2008 Passaic County Coaches Association Ice Hockey Tournament. Every school entering the tournament will pay a non-refundable entry fee deposit in the amount of \$400.00 due by December 5, 2008. For each round a team advances, the advancing schools will be billed an additional \$350.00 per round.

The tournament will be held at the Floyd Hall Arena in Montclair on December 26, 27, and 29, 2008. The tournament chairperson is Tom Danko from Clifton High School and I will serve as the executive director. The tournament will follow Passaic County Coaches Association guidelines. At least five schools must enter for the tournament to be held. The tournament will be single elimination. Tournament awards will be presented to the first and second place teams. An All County Ice Hockey Team will be selected, as well as a Coach of the Year.

The tournament will require participating schools to make a commitment to participate and the non-refundable deposit will be required. Enclosed please find a tournament commitment and application form. This form must be completed and returned to me by November 15, 2008.

A non refundable deposit in the amount of \$400.00 made payable to the Passaic County Coaches Association is due to Bob Dondero, 3 Fountain Drive, Ringwood, NJ 07456 on or before December 5, 2008.

Please keep in mind that by returning the commitment form by November 15, 2008, your school is committed financially to participate in the tournament. In the event a minimum of five schools do not return the commitment form by November 15, the tournament will not be held.
